COMPANY PROFILE

MagicBamboo is a company specializing in the research, development, manufacturing, and sales of bamboo, wood, and hardware furniture and home products.

The factory is located in Longyan, Fujian, covering 25,000 square meters, and owns over 10,000 acres of bamboo forest with over 14 years of manufacturing experience.

In 2024, in response to global market changes, the company completed the construction of a factory in Chonburi Province, Thailand, expanding its international supply chain.

The factory holds various international certifications, including ISO9001, BSCI, and COSTCO, ensuring that product quality and services meet global standards.

Our products are exported to over 30 countries and regions worldwide, including the US, Germany, Japan, France, the UK, Thailand, and the Philippines, and have earned the trust of international clients.

Currently, we maintain close cooperation with several large international retail chains, such as Costco, Walmart, and Target.

MagicBamboo upholds the philosophy of "Quality First, Service Above All" in providing environmentally friendly, practical, and stylish home products to global customers.

WHY CHOOSE US?

1. High quality products.

a. Thanks to the climatic conditions and other environmental factors, Fujian province is the largest bamboo-producing area in China. So the density of bamboo and other aspects are also better than other regions.

b. With our own bamboo forest, we choose the 4-6 years bamboo to make sure the raw material with good quality.

c. Full production line to control the quality from bamboo poles to bamboo panels and until finished products.

2. Cost saving, bamboo plywood produced by ourselves, that means we can customize the material for you to save cost.

3. Delivery, with the controllable raw materials as well as the whole production line, which will make us more flexible in production, so the delivery time can be guaranteed.
