01 Company Profile
公司简介

Shenzhen MAGICBAMBOO Industrial Co., Ltd. is a professional bamboo manufacturer with 14 years of dedicated experience in bamboo-based materials, bamboo furniture and home products. Our 25,000 m² production facility in Longyan, Fujian is backed by more than 10,000 acres of company-owned bamboo forest upstream — giving us end-to-end control from selective harvesting and embryo panel processing through to finished-product manufacturing.

We operate two manufacturing bases — Longyan in China and Chonburi in Thailand — supported by 17 embryo factories and 2 centralized hubs. Our range spans bamboo panels (flooring, decking, veneer, plywood) and finished products (furniture, kitchen, bathroom and office series), exported to 30+ countries including the US, Germany, Japan, France, the UK, Thailand and the Philippines.

With our own forest resources and dual-base footprint, we deliver one-stop OEM/ODM programs — material selection, structural development, sampling and validation, mass production, packaging and export compliance documents — all handled in-house. We believe a supply chain you truly control is your most reliable competitive edge.

深圳市铭竹实业有限公司是一家深耕竹材领域 14 年的专业制造商，专注于竹基材料、竹制家具与家居用品的研发、生产与出口。公司在福建龙岩拥有 25,000 ㎡ 生产基地，上游自持逾 6 万亩（10,000+ 英亩）竹林，实现从择伐采收、坯板加工到成品制造的全链条自主掌控。

我们在中国龙岩与泰国春武里设有两大生产基地，上游配套 17 家坯料厂与 2 个集中集散中心协同作业。产品线覆盖竹板材（地板、户外铺装、竹薄皮、竹胶合板）与竹制成品（家具、厨卫、办公系列），已出口至美国、德国、日本、法国、英国、泰国、菲律宾等 30 多个国家和地区。

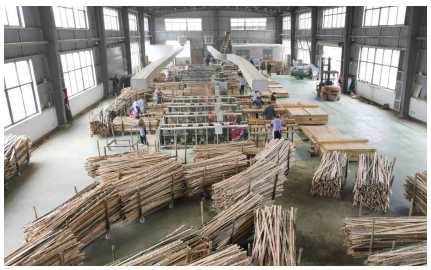

依托自有竹林与双基地布局，我们为全球客户提供 OEM / ODM 一站式定制服务——从材料选型、结构开发、打样验证，到批量生产、包装与出口合规文件，全部由我们内部完成。我们相信，一条真正可控的供应链，才是客户最可靠的竞争力。

02 Why Choose Us?

为什么选择我们

01 Owned Bamboo Forest — Material Security at the Source
自持竹林，原料从源头锁定

10,000+ acres of company-owned forest, harvested selectively at 4–6 years of maturity. Your supply volume and material cost are insulated from spot-market swings — no scrambling for stock, no surprise price jumps in peak season.

逾 6 万亩自有竹林，采用 4–6 年成材、择伐作业的永续采收方式。原料的供应量与成本不受现货市场波动牵制，旺季不抢料、不涨价。

02 FDual Bases in China & Thailand — Tariff Flexibility, Supply Resilience
中泰双基地，关税与风险双保险

With production in both Longyan (China) and Chonburi (Thailand), we can allocate orders to fit your origin strategy and landed cost — while eliminating single-country risk. If one base is disrupted, the other picks up the load.

中国龙岩 + 泰国春武里两大生产基地，可根据订单灵活安排生产地，协助客户优化原产地策略与到岸成本；同时单点故障risk被彻底拆解，任何一边出现波动，另一边立即承接

03 17 Embryo Factories + 2 Hubs — Capacity You Can Verify
17 家坯料厂 + 2 个集散中心，产能真实可见

17 embryo factories and 2 centralized hubs work in concert, keeping every production stage in our own hands. Cost, quality and delivery never depend on third-party negotiation — and we can absorb large orders when they come.

上游 17 家坯料厂与 2 个集中集散中心协同运作，每一道工序都在我们自己手里。成本、品质、交期不靠第三方博弈，大单来了接得住。

04 14 Years of Manufacturing, Proven in 30+ Countries
14 年制造经验，30+ 国家市场验证

Manufacturing bamboo since 2010 and exporting to the US, Germany, Japan, France, the UK, Thailand and the Philippines. Our products have already cleared the quality and compliance bar of developed markets

自 2010 年起专注竹材制造，产品长期出口美国、德国、日本、法国、英国、泰国、菲律宾等国，已通过欧美日市场的品质与合规检验

05 From Panels to Finished Goods — One-Stop Range
从板材到成品，一站式品类覆盖

Panels: flooring, decking, veneer, plywood. Finished goods: furniture, kitchen, bathroom and office series. Source both materials and finished products from one supplier — fewer vendors to manage, no finger-pointing over quality.

材料端：地板、户外铺装、竹薄皮、竹胶合板；成品端：家具、厨卫、办公系列。材料采购与成品采购可以在同一个窗口完成，减少供应商管理成本与品质扯皮。

06 Fully In-House OEM / ODM Capability
全链条自主的 OEM / ODM 能力

Three cooperation tiers (see section 05): build-to-print, co-development & private label, and full-package delivery from material to finished goods. Sampling, inspection and certification documents are all done in-house — the shortest possible communication chain.

三档合作模式：来图来样代工、联合开发贴牌、材料到成品全案交付。打样、验货、认证文件全部内部完成，沟通链路最短、响应最快。
